The abstracts should summarize the technical content of the oral or poster presentation. Content of the abstract should be within 300 words (Excluding the title, affiliation and email). Please bear in mind that the abstract should be formatted for A4 paper. Abstracts should be strictly limited to one page. Maximum two figures (embedded in text; JPEG or TIFF format, minimum 300 dpi resolution) may be inserted in the abstract. Abstracts should be uploaded in Microsoft Word (.doc/.docx) format. All the texts in the abstract should be in Times New Roman. The title should be in 12 point font, bold and centered. Present the author list centered, bold and in 10 point font size. Please ensure that the presenting author's name is underlined in the author list.

The affiliation of the authors should be written in 10 point font size, centred and italics. The email of the corresponding author should be underlined, in 10 point font size, centred and italics. The main texts of the abstract should be justified on both sides, single spacing and 10 font size. Use margins of 1 inch (2.54 cm) on top, bottom, left and right sides. References may appear on the bottom of the page [1] and should not exceed more than two in numbers. Figure caption should be written in 10 font size. Please note that the technical program committee will evaluate the abstracts based on technical content for acceptance and categorization as oral or poster presentation.
