

Dear All participants of ICG 2025,

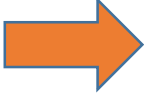

Following your filled-up response in the Google form, we have scheduled vehicles for your planned journey to the Hotel and Guest Houses from Airport/Train stations. Our official transport vendor for ICG 2025 will **send SMS/WhatsApp** directly to your phone number with the driver and vehicle details before your flight arrives. The driver will be seen **carrying a placard ICG 2025 at the exit way**. Alternatively, the driver will contact you through WhatsApp and Phone, and he will have your flight/Train details. The car will be parked in the airport basement parking. Therefore, please follow the driver's instructions and allow a few minutes to place the vehicle before you for your journey.
